Special Class Application and Decision Dates for admission in 2027/28

Step 1

There is a national procedure in place for applying for a place in a special class.

Parents/guardians must notify the NCSE that their child needs a special class placement.

For parents seeking a special class placement for September 2027:

The online Parents Notify form must be completed before 1 September 2026 with reports and supporting documentation being provided by 15 September 2026

<https://www.ncse.ie/parents/current-application-processes/parents-notify-special-class-special-school-placement/>

The NCSE uses the information provided to decide if your child meets the criteria for a special class place and if so will issue you with an Eligibility Letter which you will need to include with your application to our school.

If you need help with the Parents Notify process or have any questions about eligibility please contact the local SENO Mary Hughes at 01 603 3330 or mary.hughes@ncse.ie.

Step 2 Application to Gaelscoil Thulach na nÓg

After Parents Notify has been completed and where applicable an Eligibility Letter has been issued parents should submit an application for a place in the Autism Class. The NSCE Eligibility letter confirms your child is eligible for a special class place but does not guarantee a place in a particular school. Places are offered based on our admission criteria and places available in the school. Professional reports confirming a diagnosis of autism and recommendation of a special class place, along with the NCSE Eligibility Letter, must accompany all applications.

The school will commence accepting applications for special class admission on	01.10.2026
The school shall cease accepting applications for special class admissions on	31.10.2026
The date by which applicants will be notified of the decision on their special class application is	30.05.2027
